

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF ILLINOIS, EASTERN DIVISION

IN RE: STERICYCLE, INC., STERI-SAFE
CONTRACT LITIGATION

No. 1:13-cv-05795
MDL No. 2455

Judge Robert W. Gettleman

DECLARATION OF SHANDARESE GARR

I, Shandarese Garr, declare under penalty of perjury under the laws of the United States as follows:

1. I am the Senior Vice President, Communications of Garden City Group, LLC (“GCG”). The following statements are based on my personal knowledge and information provided by other experienced GCG employees working under my supervision, and if called on to do so, I could and would testify competently thereto.

2. As outlined in my declaration dated January 4, 2018, GCG was appointed by the Court as the Class Action Settlement Administrator (“Settlement Administrator”) in the above-referenced litigation. GCG’s duties as Settlement Administrator include, among other things, collecting and tracking requests for exclusion submitted by Class Members. I submit this declaration to provide the Court and Parties with information relating to exclusions submitted to GCG by Class Members.

EXCLUSIONS

3. Pursuant to Paragraph 38 of the Preliminary Approval Order (the “Order”), Class Members who wished to exclude themselves from the Settlement were required to submit a written request for exclusion made by mail, postmarked by January 22, 2018, to the Settlement

Administrator. Additionally, pursuant to the Settlement Agreement Section VI (C), any member of the Class who institutes a lawsuit against Stericycle arising out of or relating to the issues raised in the Actions and/or resolved by this Settlement between the time of Preliminary Approval and Final Approval will be considered an Opt-Out.

4. As of April 24, 2018, GCG has been provided notice by defense counsel of the following actions: *Brea Dental Group, Et. Al. vs. Stericycle, Inc.*, No. 18-L-000106; *Carriage Services, Inc. vs. Stericycle, Inc.*, No. 18-L-000108; *Marc Herman D/B/A Advanced Dentistry of Long Island, et. al. vs. Stericycle, Inc.*, No. 18-L-000107; *St. Peters Bone & Joint Surgery, Inc., D/B/A Advanced Bone & Joint, et. al. vs. Stericycle, Inc.*, No. 18-L-000109; *Oscar G. Cascante DMD Pa D/B/A Advanced Center For Cosmetic And Implant Dentistry, et. al. vs. Stericycle, Inc.*, No. 18-L-000112; *Prairie Mission Retirement Village, Inc. vs. Stericycle, Inc.*, et al., No. 2017-cv-000073; *Samford University v. Stericycle, Inc.*, No. 01-CV-2018-900723; *Riverview Dental Designs, a corporation; Paul Diaz, an individual, v. Stericycle, Inc.*, No. 63-CV-2018-900066. Per the direction of the Parties, all plaintiffs listed in the above actions were marked as having opted-out, unless those records could not be definitively matched to a Class Member record or if the entity was listed only as an additional location and not named individually as a plaintiff, such as the exhibit of additional locations for Carriage Services, Inc. listed in the Complaint re: *Carriage Services, Inc. vs. Stericycle, Inc.*, No. 18-L-000108, dated March 22, 2018.

5. As noted in my declaration dated February 15, 2018, GCG previously received nine requests for exclusion that were postmarked after the January 22, 2018 deadline. However, these late request are now considered valid Opt-Outs as GCG has received notice that these Class

Member have instituted a lawsuit against Stericycle between the time of Preliminary Approval and Final Approval.

6. Per the Order Granting Joint Motion to Enforce the Provision of the Settlement Agreement Regarding Exclusions from the Class (“March 1, 2018 Order”) and the Order Granting Joint Motion to Approve Letter to Opt Outs (“March 14, 2018 Order”) (collectively, the “Exclusion Orders”), GCG mailed 1,352 Notices of Deficient Request for Exclusion on March 19, 2019. GCG mailed 464 deficiency letters to entities that could not be definitively matched to a Class Member record; 493 deficiency letters to entities that did not include individual authorizations; and 395 deficiency letters to entities missing Class Member signature. GCG also provided Counsel of record with copies of the Notices of Deficient Request for Exclusion on March 19, 2019. Examples of the Notices of Deficient Request for Exclusion are attached hereto as **Exhibit A**.

7. Pursuant to the Exclusion Orders, the postmark deadline for Class Members to cure their deficient requests for exclusion was March 29, 2019. To the extent that responses cured the deficiencies, GCG updated the corresponding exclusion records.

8. As of April 24, 2018, GCG has received 935 Opt-Outs. A list of entities that have opted out is attached hereto as **Exhibit B**. A list of entities that have requested exclusion from the Settlement and could not be affirmatively matched to the Class Data is attached hereto as **Exhibit C**. A list of entities that have requested exclusion from the Settlement and did not include individual authorizations for each location or entity, and/or were not signed by the Class Member, and/or submitted late responses is attached hereto as **Exhibit D**.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed on April 26, 2018, in Lake Success, New York.

A handwritten signature in black ink, appearing to read "Shandarese Garr", written over a horizontal line.

Re: *Stericycle, Steri-Safe Contract Litigation*, No. 13-cv-5795, MDL No. 2455

NOTICE OF DEFICIENT REQUEST FOR EXCLUSION

Dear JANE CLAIMANT:

You are receiving this letter because you submitted a request for exclusion from the *In Re: Stericycle, Steri-Safe Contract Litigation*.

The name and address you provided could not definitively be matched to a Class Member record. Only Class Members may request to be excluded from the Settlement. In order for an exclusion request to be valid, each request must be matched with a Class Member record. The Court has determined that because the information you provided does not match the information in the Class Member database, it is deficient. However, the Court is providing an opportunity to cure this deficiency by providing additional information within the time allotted.

Accordingly, please submit a signed and valid request for exclusion postmarked no later than March 29, 2018 that includes your customer account number so we may match your request to a record in the Class Data. Alternatively, if you do not have your Stericycle account number, please provide any alternative name(s) or address(es) for the requested exclusion. Please reference the GCG Class Member number listed at the top of this letter in your request and return the updated request with a copy of this letter.

Please note that if you do not timely respond, your request will be deemed invalid and you will be bound by the terms of the Settlement.

If you have questions about the particular information we need in order to submit a valid request for exclusion, please contact the Settlement Administrator at questions@StericycleClassAction.com. You may also view the Preliminary Approval Order, Settlement Agreement, and Long Form Notice at www.StericycleClassAction.com.

Sincerely,
Settlement Administrator

Re: *Stericycle, Steri-Safe Contract Litigation*, No. 13-cv-5795, MDL No. 2455

NOTICE OF DEFICIENT REQUEST FOR EXCLUSION

Dear JANE CLAIMANT:

You are receiving this letter because you submitted a request for exclusion from the *In Re: Stericycle, Steri-Safe Contract Litigation*.

As noted in Paragraph 38 of the Preliminary Approval Order (the "Order"), Class Members who wished to exclude themselves from the Settlement were required to submit a written request for exclusion by mail, postmarked by January 22, 2018, to the Settlement Administrator. Per Section VI of the Settlement Agreement and the requirements set forth in the Long Form Notice approved by the Court, written requests for exclusion must include your name (or the name of your business that was a Stericycle customer), address, and your signature. Requests for exclusions not individually signed by the Class Member are not allowed. The request submitted on behalf of the above Class Member was not signed by the Class Member but was signed by counsel. The Court has determined that attorney-signed exclusions are invalid, but is providing an opportunity to cure the deficiency by providing a request for exclusion signed by the Class Member (or an authorized officer, director, manager, or employee of the Class Member) within the time allotted.

Please submit a signed and valid request for exclusion postmarked no later than March 29, 2018. Please reference the GCG Class Member number listed at the top of this letter in your request and return the updated request with a copy of this letter.

Please note that if you do not timely respond, your request will be deemed invalid and you will be bound by the terms of the Settlement.

If you have questions about the above, please contact the Settlement Administrator at questions@StericycleClassAction.com. You may also view the Order, Settlement Agreement, and Long Form Notice at www.StericycleClassAction.com.

Sincerely,
Settlement Administrator

Re: *Stericycle, Steri-Safe Contract Litigation*, No. 13-cv-5795, MDL No. 2455

NOTICE OF DEFICIENT REQUEST FOR EXCLUSION

Dear JANE CLAIMANT:

You are receiving this letter because you submitted a request for exclusion from the *In Re: Stericycle, Steri-Safe Contract Litigation*.

As noted in Paragraph 24 of the Preliminary Approval Order (the “Order”), members of the Class who wished to exclude themselves from the Settlement were required to comply with the terms of the Settlement and Notice for such requests and to submit a written request for exclusion that is signed by the individual member of the class and sent by mail, postmarked by January 22, 2018, to the Settlement Administrator. The Court has determined that requests for exclusion need to be individually signed by an individual employed at the entity seeking to opt out and not by a parent company. As you didn’t submit an individual, signed request for each separate entity, the Court has determined that your request for exclusion is currently deficient. The Court is providing an opportunity to cure said deficiency. In order to cure this deficiency, you must either (a) submit a request for exclusion signed by the member of the Class or an authorized officer, director, manager, or employee of the member of the Class employed directly by that entity or (b) if the entity seeking exclusion no longer exists or if the request for exclusion is being submitted by a parent or successor company, proof of ownership must be submitted. Please note that multiple requests for exclusion signed by the same person will not be accepted without proof of ownership. To the extent that you are submitting requests for exclusion for multiple entities or locations, you need to submit a separate signed request for each such entity, or proof of common ownership of each location or entity.

Accordingly, please submit a signed and valid request for exclusion postmarked no later than March 29, 2018 for the above Class Member. Please reference the GCG Class Member number listed at the top of this letter in your request and return the updated request with a copy of this letter.

Please note that if you do not timely respond or do not provide the information requested, your request will be deemed invalid and you will be bound by the terms of the Settlement.

If you have questions about the particular information, we need in order to submit a valid request for exclusion, please contact the Settlement Administrator at questions@StericycleClassAction.com. You may also view the Preliminary Approval Order, Settlement Agreement, and Long Form Notice at www.StericycleClassAction.com.

Sincerely,
Settlement Administrator
